University of South Florida

- Lingling Fan, Associate Professor, University of South Florida

- Zhixin Miao, Assistant Professor, University of South Florida

- US/Chinese Collaborators:
  - Southeast University: Prof. Mingqiang Hu
  - Wuhan University: Prof. Xiaotao Peng
  - North China Electric Power University: Prof. Zhongdong Yin
Areas for collaboration

- Multi-terminal HVDC systems modeling, simulation and control
- Wind and Solar Energy Integration
- Energy storage systems
- Power market
- Demand response program
- Microgrids
